

## National Philanthropy Day Committee Volunteer Position Description

### GHA COORDINATOR (VIGNETTES)

---

#### National Philanthropy Day®

National Philanthropy Day® (NPD) is a special day set aside on the 15<sup>th</sup> of November. The purpose of this day is to recognize the generous contributions of philanthropy – and those people active in the philanthropic community – to the enrichment of our world.

Every year, the AFP Greater Vancouver Chapter hosts a National Philanthropy Day Luncheon. At this event, AFP celebrates the incredible individuals, families, and organizations that generously give their time, leadership, and financial support to benefit countless people and communities through our Giving Hearts Awards (GHA). These awards were created to acknowledge the true expression of philanthropy.

Prior to the pandemic, the NPD Luncheon was attended by approximately 600 philanthropists, volunteers, fundraisers, and support staff from over 100 non-profit organizations. In 2020, our NPD committee organized a social media campaign to recognize all the Giving Hearts Awards nominees. Last year, our team of volunteers introduced two pandemic-response award categories and organized the first-ever virtual National Philanthropy Day celebration.
