

PARTNERSHIPS COMMITTEE

The Partnerships Committee builds meaningful relationships with businesses and organizations that support fundraising professionals and community impact. Through strategic partnerships, we expand networks, develop skills, and provide mentorship and education for fundraisers.

As a non-profit association, we seek partners who share our commitment to philanthropy. By collaborating with like-minded organizations, we create valuable connections that sustain and elevate our sector while recognizing the contributions of fundraising professionals.

Volunteer Responsibilities

Partnership Development: Identify and engage potential partners that align with AFP's values and mission. Foster relationships that contribute to long-term collaboration and support for fundraising professionals.

Sponsorship & Funding: Assist in securing sponsorships, in-kind contributions, and financial support from corporate and community partners to enhance AFP Greater Vancouver programming, events, and initiatives.

Strategic Outreach: Represent AFP at networking events, conferences, and meetings to promote partnership opportunities and strengthen community engagement.

Recognition & Stewardship: Help develop recognition plans for sponsors and partners, ensuring they receive appropriate acknowledgment for their contributions and maintain a strong connection with AFP.

Committee Collaboration: Work closely with other AFP Greater Vancouver committees to integrate partnership efforts into broader chapter activities, events, and communications.

Event & Program Support: Assist in engaging partners for key AFP events such as National Philanthropy Day and professional development sessions, ensuring their involvement aligns with their organizational goals and AFP's mission.
